KANTATA™

Deliver Game-Changing Business Benefits With Kantata

Software Reviews
TOP RATED 2023

100%

CRITICAL TO PROFESSIONAL SUCCESS

SoftwareReviews, a leading source for insights on the software provider landscape, has published its **2023 Professional Services Automation Emotional Footprint Report**, recognizing Kantata as a **customer support leader** with an overall **9.0/10 customer experience (CX) score**. SoftwareReviews collects extensive customer experience data from business and IT professionals to produce detailed and authentic insights into the experience of evaluating and purchasing enterprise software.

Here we showcase some of the top accolades customers gave Kantata compared to Certinia and Planview.
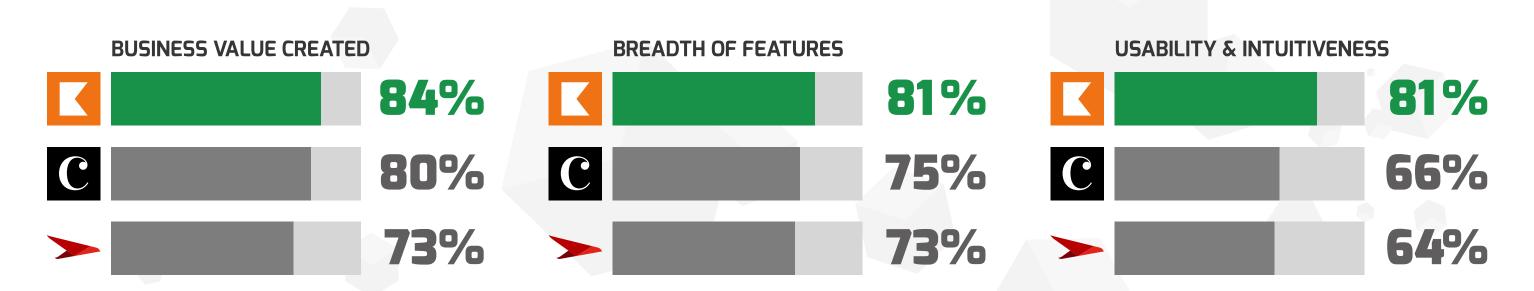

Resource Management

Effective resource management is crucial for professional services organizations. Kantata has demonstrated the ability to enable resource allocation, scheduling, and tracking, allowing businesses to optimize resource utilization and ensure the right resources are assigned to the right projects at the right time.
